

Dear CAUSY Parents:

Welcome back from the Youth Department. The Youth Department at Chizuk Amuno Congregation is the home of youth programs for students in grades K – 12, and offers year long programming. CAUSY, the youth group for students in grades 9 -12, is student led, and offers Jewish teens the opportunity to develop lasting friendships and leadership skills through a variety of Judaic, social, educational, and athletic programs. Through USY teens can become involved on the synagogue, regional, and international levels. USY offers amazing opportunities to travel the United States, Europe and Israel like nowhere else. Our activities span the gamut with fun and exciting Jewish experiential learning in a relaxing, camp-like setting.

As the school year has just begun, I wanted to draw your attention to another calendar. The Youth Department Calendar contains all the information that you need for all of our youth group programs for the 2011 – 2012 year. With a simple click, you can read about the program, print the flyer, and even RSVP to programs online. This calendar, in conjunction with the Youth Department website, contains all the information that you as a parent need about the different groups and programs.

In addition to the calendar and website I need your help to make these programs truly amazing. If we can partner together to help spread the word about upcoming programs, not only will your child have another friend, but odds are you will not need to drive both ways.

To visit the Youth Department calendar please go to the below address or use your smartphone to scan the QR Code below.
