

# CHIZUK AMUNO HAZZAN SEARCH

Amplify your Voice

Having enjoyed a bit of quiet during summer, our committee has kicked into high gear. We submitted the questionnaire and job description to the Cantor's Assembly and look forward to receiving resumes after the conclusion of the holidays. Many thanks to Marci Aronchick, Jay Baraban, Erika Schon and Jeff Snyder for their thoughtful work on these crucial documents.

Our next step is to engage the Chizuk Amuno community in conversation about its vision for the next Hazzan of our congregation. Please mark your calendar with the following important dates:

**Sunday, August 26<sup>th</sup> - 9:30a-12:00p**: drop in listening session with Rabbi Gruenberg and members of the Hazzan search committee – visit anytime during the morning

**Shabbat, September 22<sup>nd</sup> - 12:30-1:30p**: conversation with Rabbi Gruenberg on the historic role of the Hazzan and a vision of Jewish prayer and music for the future of Chizuk Amuno – to commence at the end of Kiddush lunch

**Sunday, September 30<sup>th</sup> 9:30a, Sunday September 30<sup>th</sup> 1:00p OR Wednesday, October 10<sup>th</sup> 7:00p**: semi structured round table discussions with Rabbi Gruenberg and members of the search committee

Please watch your mail for more detailed information about the above sessions. In addition to a congregational survey, this is a vital opportunity for any member of the Chizuk Amuno community to share thoughts about this essential piece of our future. You may choose to listen, to speak, or both. Either way we sincerely hope that you will engage in the search process by joining us for one of these conversations. We are grateful to Sandy Abramoff, Jerry Buxbaum, Jane Kahn and Laura Reaven for their careful planning in order to bring this opportunity to our congregation.

As always, we look forward to hearing your thoughts: [search@chizukamuno.org](mailto:search@chizukamuno.org)
