

CHIZUK AMUNO HAZZAN SEARCH

Amplify your Voice

With *Tishrei* coming to a close, the search committee looks forward to the next steps in the search process. If you have not yet joined us to share your vision for our next *Hazzan*, we invite you to participate in our last round table on Wednesday evening October 10th, and ask that you RSVP on the synagogue's website.

Later this month the committee will distribute our survey to the entire Chizuk Amuno community in order to hear more about your concept for the next *Hazzan*. Sincere thanks to Marc Attman and Jeff Cooper for their work on this project. After presenting the findings of the community conversations and the survey to the congregation, we will use the results to inform our search. Thus, it is vital that we hear from as many in our community as possible... be sure to bring your voice to the table.

As we move into late fall, the committee will begin vetting and interviewing candidates before bringing finalists to the full congregation for consideration in 2019.

In addition to speaking with any of the committee members, we remind you to reach out to us:

With thanks for your participation,

Jenny Gamliel & Antony Rosen
