

CHIZUK AMUNO HAZZAN SEARCH

Amplify your Voice

Thank you everyone who responded to the survey seeking views about the next *Hazzan* of Chizuk Amuno. In conjunction with what we heard during our community conversations, the search committee has used the feedback as a guide to review potential candidates.

This upcoming month will be busy for members of the committee as we work to distill the candidate pool to a smaller group for visitation with the whole committee. Ultimately we look forward to candidate visits with the entire community later this winter.

Please reach out with any questions: search@chizukamuno.org
