

CHIZUK AMUNO HAZZAN SEARCH

Amplify your Voice

Committee members spent much of the past month collecting, examining and collating feedback from the community, gathered throughout the fall. Through emails, comment cards, open sessions, roundtables and the community survey, we have gleaned much about our congregation's vision for the next Hazzan of Chizuk Amuno. We look forward to presenting this dynamic portrait soon, and believe that it will serve as a valuable guidepost for our committee's search. With much appreciation, we thank everyone who has participated in the process thus far.

In the days ahead, we continue to receive resumes and work together with the vetting subcommittee to move forward with the interview process. And of course, we are always eager to hear your thoughts and suggestions as we continue the search. We encourage you to reach out to us at: search@chizukamuno.org
